Surviving Spouse Report – Patricia Bergquist written update provided as follows:

All Tennessee MOAA Chapters have provided their Surviving Spouse Liaison information. Please remember to update Patricia when there are Surviving Spouse Liaison changes. If a Chapter Surviving Spouse Liaison needs assistance helping a surviving spouse, please contact Patricia at p_berqq@hotmail.com or (615-948-4960).

ADVOCACY/LEGISLATION UPDATES

Please refer to the January 24, 2024, TN CoC Surviving Spouse Report and all documents attached separately for “detailed” information on the bills which are updated as of October 14, 2024 below.

1. **H.R.3232 and S.1588 - “Respect for Grieving Military Families Act”**
*H.R.3232 has 17 co-sponsors (1 from TN: S. Cohen)
S.1588 has 3 co-sponsors (NONE from TN)*
2. **H.R.1083 and S.414 - “Caring for Survivors Act of 2023”**
*H.R.1083 has 105 co-sponsors (1 from TN: S. Cohen)
S.414 has 22 co-sponsors (NONE from TN)*
3. **H.R. 3651 and S. 1266 - “Love Lives on Act 2023”**
*H.R.3651 has 78 co-sponsors (NONE from TN)
S.1266 has 36 co-sponsors (NONE from TN)*

As you can see, only one of our TN Congressman has co-sponsored any of the bills cited in this report. Our remaining Congressmen and both of our Senators have not. Without advocacy, we cannot move the needle on these bills!

E-mail campaigns continue to both Congressmen and Senators across the United States to garner co-sponsors and support for these three (3) pieces of legislation. We need to end the 118th Congress with strong numbers to make it easier to garner congressional support in the 119th Congress.

Please continue to encourage all Tennessee MOAA chapter members and surviving spouses to contact their Congressmen and Senators to garner their co-sponsorship and vote for these three pieces of legislation impacting our surviving spouses using one of the following:

MOAA's Legislative Action Center at www.moaa.org/takeaction to send a MOAA prewritten message which you can personalize, if desired, to Congress.

Contact your Congressman and Senators, using the MOAA Capitol Switchboard (1-866-272-6622), ask to be connected to your congressman or Senator's office, once connected ask to speak with the Military Legislative Assistant (MLA) or Legislative Director. *Get name and e-mail address of the MLA or Legislative Director, if you do not already have it, and follow-up your phone call with an e-mail.*

SURVIVING SPOUSE ISSUES

All Chapters and Councils need to be diligent in reminding their membership to check ALL their paperwork for accuracy on beneficiaries, etc.

Military retired pay stops on date of death. Many spouses and even officers do not know this. DFAS, VA, and Social Security need to be notified of death "immediately" to prevent payments being made and clawed back. The same goes for other reoccurring payment accounts.

Spouses who have been married to two military officers and both have him/her as SBP beneficiary will have to make decision on which account to draw SBP on. DFAS will stop any SBP payment currently being made until a decision is received. They cannot receive SBP from both military spouses.

Some military officers have been married more than once. Former spouses, more often than not, attach SBP along with other assets in the divorce and the divorce decree is supposed to be documented with DFAS. Then, DFAS is supposed to pay the former spouse the SBP.

Well, there have been several cases where the military officer changed the beneficiary to the later spouse. Then, when the officer dies, the wrong spouse is paid. Oh, yes, DFAS makes mistakes!!

Currently, an 80-year-old second spouse in TX owes \$57,000 because of the above. DFAS paid her in error for 4 years. The former spouse, who attached SBP in the divorce, contacted DFAS and DFAS recognized their error. The second spouse lost the SBP, DOD garnished her social security and grabbed her IRS refund. The surviving spouse has taken a reverse mortgage to try to live. So, sad and so needless!

In another case divorce occurred, decree documented with DFAS, and officer changed beneficiary to second spouse. DFAS paid second spouse. When former spouse contacted DFAS, she was told they saw nothing to show she was ever married to the officer. Fortunately, she had a notebook with every document related to their nine-year divorce. Her daughter helped her file an appeal with the Board of Review, and they ruled in her favor.

We cannot make our officers in our chapters do anything. Yet, we are negligent if we do not continue to stress the importance of making certain their personal affairs are in order with properly documented beneficiaries and family who knows what to do and expect upon their demise. This is also true for our surviving spouse members and their families.

MOAA PUBLICATIONS

The new MOAA Publication "Preparing For the Loss of a Military Spouse" has been reviewed. The publication serves two purposes: 1) to provide help getting affairs in order, and 2) to guide surviving spouses through the first steps to take following a military spouse death. The Survivor Checklist in the publication has been revised once again. It is still a solid reference!

The MOAA publication "Family Matters: Personal Inventory for Peace of Mind" is still a good tool to guide members in getting their affairs in order. Also, you are encouraged to download "A Survivor Checklist" as well.

To find these publications, please go to the MOAA website at MOAA.org and then Login. Click on Resources and under Surviving Spouse, you will find "Preparing For Loss Of A Military Spouse" and "A Survivors Checklist". Further down the page under Spouse and Family, you will find "Family Matters: Personal Inventory for Peace of Mind". "Former Spouse Benefits" as well as the "Remarriage Guide" (digital only) are found here too.

MOAA list Gold Star Wives of America (GSW) as resource. Unfortunately, GSW has gone rogue in the last year resulting in ethical, legal, and financial issues! It has been such a mess! It remains to be seen just how long GSW can stand. Presently, the organization still stands but many of the original GSW members are not renewing their membership, and they are joining the Gold Star Spouses of America!

Gold Star Spouses of America is a new organization which has been created, and it will honor and serve the interest of Gold Star Spouses as they should be in the organization. *It is suggested that you use Gold Star Spouses of America as a resource! Any surviving spouses eligible for gold star membership are **encouraged** to join the Gold Star Spouses of America organization.*

The most active surviving spouses Facebook groups following these bills are:

- "DIC Surviving Spouses/DIC Increase Advocacy"
- "Love Lives on Act of 2023 Advocacy"
- "Military Survivors DFAS/SBP Issues"
- "MOAA Surviving Spouses and Friends"
- "Gold Star Spouses of America" (New)

Chapter Updates

Chattanooga TN01 – Ray Mitchell: written update provided as follows:

Board Meeting on the 8th (I was on vacation and could not attend)-update on the nomination committee for our new officers/board members. We confirmed our third social event for October 17th Hiwassee Train Ride. MOAA Chapter was represented at the Press Release at McDonald Farms to host the Hamilton County Fair on July 2nd. Attended the ESRG Luncheon on the 24th. AUGUST: Our August 27th Dinner Meeting had two speakers; Executive Director of the Tennessee Healthcare System Mr. Dan Ducker and Congressman Chuck Fleishmann. We were also honored to have in attendance newly elected District 27 Michele Renaue and State Senator Mr. Todd Gardenhire. We also added two new members to our ranks in August. Several members also attended Veterans Court Mentor Training on the 8th. Representative MOAA Chapter at the Southeastern Coalition Meeting on the 28th.

SEPTEMBER: Board Meeting on the 9th – The nomination committee announced the new leadership staff for the coming year. Recommended new officers are; CDR Ted Jewells-1st VP, COL Brett Hale-2nd VP, MAJ Jack Mullinax-Treasurer, COL Steve Whitley-Secretary. Recommended Board Officers are; Lt Col Tony Crowder Director of Interagency Outreach, CAPT Janet Meyers Director of Communication Services. Welcome to the Team.

Although more of a fund raiser event than a social event our Veterans Golf Classic on September 16th was a total success. This event is critical for our scholarship funding. Among the many things our chapter does in our community, scholarships are a major reason our chapter exist. Traditionally, we are only able to raise \$4,000 or \$5,000 for scholarships, basically from the goodness of our member's contributions. Although admirable, this is a far cry from what we hope to do in the future and the Veterans Golf Classic has the potential to triple this amount. I'm happy

to report that this year we raised over \$7,000. Combine that with our traditionally giving we should have nearly \$10,000 to offer for JROTC Scholarships. We accepted two new members this month. MOAA Chapter was representative at the Chattanooga Area Veterans Council Meeting (CAVC) on the 13th and the Southeastern Veterans Coalition Meeting on the 25th. Several members attend Veterans Court Mentor Training.

We continue to be very active in the veteran's community with Chapter members participating in many veterans' events in the local area. Several of us continue with training and attendance to the Hamilton County's Veterans Court.

As we get closer to Christmas time, we will ring the bell for the Salvation Army. We will collect toys for the Marines Toys for Tots program and hold a food drive for our local Food Kitchen.

I will close by saying we are proud of our chapter's moto "never stop serving" and I see it every day with our member's contributions, both financially and talent, to our area veteran's community. Because of your help we are making a difference.

Our thanks to Council president Pete Warner and the Council secretary for not only attending our Sep. 28 meeting but for filling in as our guest speakers. MOAA national had scheduled Col Jim O'Brien, USAF (ret.), executive vice president and chief operating officer, to visit our chapter however concerns about the impending storms forced him to cancel his visit and plan to reschedule in 2025. Pete gave an outstanding summary of national priorities and then provided a great overview of Council activities.

His presentation sparked lively and timely conversation among the members. That conversation will be useful in our plans for the new year.

Our chapter had changed our meetings from a dinner on the fourth Thursday evening at the VFW in Hendersonville to noon lunch on the fourth Saturday at the Hendersonville Senior Center. The move had been prompted by the remodeling of the VFW kitchen and it was an attempt to gain attendance by members who did not like to drive at night. After reviewing attendance records and in polling the membership we have chosen to return to the dinner meeting on the fourth Thursday.

Our next meeting is Oct. 24 at 6 p.m. at the Hendersonville VFW where we will collect donations for the Toys for Tots program and the Sumner County Veterans Home.

We will not have a meeting in November. Our Christmas meeting will be Dec. 8 at 3 p.m. at the home of our First Vice President Frank Edwards.

Correspondence

The chapter uses the monthly newsletter as the primary means of communication outside of our monthly meetings. Items are sent out to the whole chapter between meetings. This primarily involves advocacy issues.

Membership

Our membership chairman as well as the president scans the MOAA site for prospective new members although with the site being down for some time now, we have not gotten any new names. We have 1 person that is considering moving his membership to our chapter due to a conflict with the meeting time of his current chapter, Also, a blurb is being put in the local papers, inviting eligible folks to visit our meetings.

Advocacy

The membership is kept informed of the issues & urged to support them.

Community Project

The club, over a 2month period, donated between 47-50 gently used coats to a local church for distribution.

Leadership

All slots are filled & there has been no change. We are looking at prospective officers & board members for 2025. Expect the board & officers to remain the same for 2025 except for 1 new board member who will replace a retiring board member.
