The legislation impacting the surviving spouses (Details in January 24, 2024 TN CoC Surviving Spouse Report and all documents attached separately) were not passed into law in the 118th Congress. Plans are to attain new bill co-sponsors and reintroduce these bills in the 119th Congress:

Once new bills are introduced and bill numbers are known, all Tennessee Chapter Surviving Spouse Liaisons will be informed. Advocacy campaigns will begin to garner co-sponsors and support for these pieces of legislation. Then, please encourage all Tennessee MOAA chapter members and surviving spouses to contact their Congressmen and Senators to garner their co-sponsorship and vote for legislation impacting our surviving spouses using one of the following:

Contact your Congressman and Senators, using the MOAA Capitol Switchboard (1-866-272-6622), ask to be connected to your congressman or Senator's office, once connected ask to speak with the Military Legislative Assistant (MLA) or Legislative Director. Get name and e-mail address of the MLA or Legislative Director, if you do not already have it, and follow-up your phone call with an e-mail.

Karen NB – now is a busy time for chapters, nominations are due for various awards

Community Outreach Grants open in early December will close end of February 28th. Submit ideas to be supported, the portal is fairly easy to use. Funds to empower these community outreach grants come from MOAA foundations. Last year 50 chapters submitted ideas and 50 were funded. You do not need to have liability insurance at the time of application for the grant but will need to have it if you are selected by the time, you receive your funds.

Community sponsorship grants is open which is different from the Outreach program, you do not need to have liability insurance to receive, this opens every year.

MOAA scholarship time also going on. If you know of any young people in your area dependents of officers and especially enlisted now is the time to apply, it runs the end of Nov 2024 to the end of Feb 2025. Get the word out if possible.

Future-Plans: In the Fall MOAA will be unveiling a new people centric conference called "Total Force Plus" it will mirror some of the big military conferences and will focus on people finding solutions that will have positive impact for the war fighter and the war fighter's family. Will be held the end of Oct, and everyone will be invited to the Baltimore area at the National Harbor where the event will take place.

Advocacy in Action in April the slate for TN is set.

Military spouse employment seminar that the MTC is sponsoring focused on Fort Campbell MTC spouse employment.

Secretary report requesting for the Archives of the council:

From each chapter a picture of chapter charter (to avoid going to National at this busy time)

From Monroe all the records from the treasurers report as far back as possible. And Doug we are ready to continue with the past minutes. Stu I would like a list of the chapter's officers and titles. And as always, request bullets be sent as quick as you can for the minutes to turn around in one week. Of course, Thanks for All You Do.

NEXT STEPS:

Council President's Report

According to our bylaws I need to get a head count an active membership count. By 1 Feb 2025 Speaking of the new year I hope that all the chapter president and council members as well are going through their bylaws with fresh eyes to see if they need to be updated or amended and what is needed, Karen mentioned insurance do you even have any or need to update it, is it general liability insurance or directors and officers type insurance, if you have insurance at all. Look at dues, your recruiting, branding, and marketing efforts. The 990 and reporting for the 501c3 or c19 designation is due every April to the IRS. The Secretary of State also requires a report. I call that house cleaning for the new year for all the chapters.

All the Chapters need to see if they need to invite National to chapters. They like to see chapters every two to three years.

If you are having an Installation ceremony MOAA would like to know about that.

Awards submission deadline 15 Feb is fast approaching

Knoxville rebuild has a venue at Faith Lutheran Church between 10:00 AM EST and noon, on the 1st of March 2025. Mountain Empire, Upper Cumberland and Chattanooga are bringing personnel to help put this together. Doug Goins has precured the location our boots on the ground Knoxville

chapter, ETC-TN02. We are making progress. Of course, MOAA National has been asked to send out email blast, postcards, and advertising we are six weeks out from that and well on the way.

AIA campaign was mentioned, the sponsorships and grants were mentioned Cheddar up mentioned. I want to mention that each chapter, has the ability, to load your newsletters onto the council website yourself. If you have any questions, you can contact Joe Leonard directly. I have applied for the 800-dollar sponsorship grant again and a part of that will be used to buy a much-needed council flag that we do not have and will propose that at the next meeting.

The Council website: tncoc-moaa.org

The MOAA grant programs are there to be used. So, apply!

Recruiting free members into premium/life members MOAA will pay chapters \$15/\$30 for the upgrade. (Once they also become Chapter Members)

Next meeting – April 16, 2025, at 11:00 AM CST, at Sammy B's restaurant in Lebanon, TN.

Membership Chair – Doug Minton written update provided as follows:

1. As our President mentioned, it is time for each chapter to report their membership numbers to him. The bylaws state "membership totals to be reported to the President". The intent of the requirement is to provide our President with the information to report to TNVET for the purpose of dues calculations. Membership "should" be construed as the number of members on your roll. * See below for TNVET dues information.
2. No update from MOAA Council & Chapters on the Committee Module (CM) other than to say they found additional issues with the CM and are working on those now.
You can minimize the time that it will take each Chapter to get their listing up to speed when it does open by making use of the following options:
 - For new members report the member information (basically what you currently report to sign someone up as a basic member) to the MOAA Member Service Center (msc@moaa.org).
 - For Chapter members you lose due to their death, use the MOAA TAPS form to report their passing <https://www.moaa.org/content/forms/moaa-taps-form/>. This will remove them from your member list as well as enable MOAA to end their membership, or if a LIFE member to pass their membership to the Surviving Spouse.
3. The MOAA dues payment process has great reviews from the Chapter's using it (listed on the dues portal page <https://www.moaa.org/content/chapters-and-councils/online-chapter-dues-payment--administration/>).
The Middle TN Chapter (MTC) has applied to use it and has found it apparently takes several days to setup. They will advise once it is functional. Nice thing is that MOAA is still paying all charges for Cheddar-Up (although Cheddar Up does offer additional options for which you must pay).

A reminder if you have a new member, you can report that new member to the member service team, and they will insert that new member into what will eventually be the new committee module likewise if you lose a member that has passed you can use the TAPS process and that will remove that member from the list. It will help with the process of getting this new committee module up and running.

* TNVET Dues Information

The TNVET annual membership year extends from July of the current year through June of the following year. Membership dues are solely for the administrative costs of supporting the Veterans Day on the Hill each year, as well as administrative costs incurred by TNVET (example P. O. Box, web hosting, etc.)

Membership 1-500	Annual dues \$50
Membership 501-1000	Annual dues \$100
Membership 1001-1500	Annual dues \$150

Historically, TN CoC, MOAA has paid dues of \$100.

Eddie's third book has come out and he signed copies at Ft. Campbell.

Stones River TN10 – Spoken update provided by Keith Prather as follows:

We kicked off our newsletter last year and decided to go quarterly and will post that one on the council web site as soon as I can figure that out. We will also be putting that up for awards this year, a first for Stones River chapter. We have gotten confirmed for our grant and have hands on the money now. So, we will put in for our next grant to get our website up and running. Going into our first scholarship program which will present in April. We had a great Christmas dinner and Larry Ellis brought in this duo who are a professional duo that records. They will be listed in our newsletter.

Sumner County TN11 – Stewart Reeve spoken update provided as follows:

We ended the year with 39 members and that will be the number I will be reporting shortly.

We ended 2024 with our Christmas party where 25 members and spouses gathered at the home of Frank and Joyce Edwards, Frank was our first VP. In addition to great fellowship, we collected donations for Toys for Tots and the Sumner County Veterans home.

Now also, as we ended 2024, we were able to get the 300-dollar grant that we will be using to get our chapter banner similar to the councils. This way we can show the flag at different events and improving our recruiting program.

At the end of the month, we will be installing new officers and this year we will have a 2nd VP who will oversee recruiting and retention looking to be more aggressive in that area.

Looking to increase our availability of funds since we recognize it seems to be the center of gravity for the chapter to improve that applying for our tax-exempt status. Which has prompted us to review and amend our by-laws, looking into insurance availability.

January we will install new officers and March we will be having our surviving spouse presentation.

We are not having any meetings in February, July, August, or November. We are coordinating with the three JROTC units in Sumner County for a graduating senior in May.

General Andrew Jackson TN12 – Bobbie A. Bell written update provided as follows:

Luncheon Meetings

- a. November 2024 – our speaker was Ms. Susan Hunter who spoke about letters her mother had written to Soldiers during the Vietnam War.
- b. December 2024 – we did not have a speaker per se but instead had the Sing Along Choir from the Donelson 50 Forward Club entertain us with Christmas songs (a better program than when our chapter members tried to sing Christmas songs!).
- c. January 2024 – we did not have a speaker but instead had a chapter meeting, discussing meeting dates, times, locations, & the food/luncheon situation.

Additionally, the chapter publishes a newsletter each month & has continued spotlighting a member each month.

Membership

We are now averaging about 25 members per meeting. We added 1 new member in January 2025 & lost 2 members, one to resignation & the other who died. Our membership chair posts a blurb in each of the local papers (Lebanon, Mt. Juliet, Hermitage, & Donelson) to notify the community of our existence with an invitation to visit our chapter. Additionally, calls are being made to members who are in arrears of dues or who have not attended a meeting in some time.

Awards & JROTC

Our JROTC liaison, Dan Sullenger, has already corresponded with each of the schools we support and has sent out information on our scholarship and awards.

Advocacy

Members have been reminded of the national issues & encouraged to contact their congressional representative. Our liaison sends out upcoming meetings/zoom meetings, & information to our membership throughout the month. Currently, there is no one from our chapter who is planning on participating in the Veterans on the Hill

Leadership

Our officers remained the same as in 2024. Two board members retired & were replaced with 3 new board members Installation of officers & board members took place at the January 2025 meeting.

Community Involvement

We had a very robust response to our winter community events. In November, our chapter was one of the sponsors of the Donelson-Hermitage Exchange Club's Field of Honor. In December, we brought in a large quantity of nonperishable foods for the community food bank at the First United Methodist Church in Lebanon. In December, we chose the Tennessee State Veterans Home in Murfreesboro to support with gifts. We wrote 112 Christmas cards (enough for each resident to get a card), 12 stocking caps, 55 tee shirts, 47 pairs of socks, \$275 in gift cards (for residents who do not have funds for a day trip to a local restaurant), 1 muffler, & 1 deck of cards.

Conclusion of Meeting

Pete thanked everybody for their inputs and effort they put into the year 2024, he could not be prouder and brags every time he runs into Frank Michaels every chance he gets.

Any new business or discussion needed.

What was found out just recently for Advocacy in Action is that family and friends can register on there and have their voices heard as well, it is not limited to MOAA membership.

Bobby asked about the Leadership workshop in Greenville last year. Pete informed the council that they rotate the Leadership workshops around the country and will not be in our area again until 2026. Two in person and two virtual of the top of my head for this year 2025. They put out the dates and locations on their website under MOAA chapters.

Steve mentioned the VA volunteer services has sent out a needs list. This list is valid for all the VA hospitals and clinics.

Eddie Sumbler gave the closing prayer. The meeting was adjourned at about 12:35pm CST.
